From The Editor-in-Chief Desk

Dear Readers

I am pleased to introduce the Desh Bhagat University Dental Journal “International Journal Of Dental Science & Research” under the guidance of Chancellor Dr. Zora Singh, Pro Chancellor Dr. Tejinder Kaur, Vice Chancellor Dr. Shalini Gupta, Principal Dr. Sanjeev Soni.

This journal offers an open access platform to the authors in Academics and Dentistry to publish their novel research. The journal focuses on providing most comprehensive and reliable information in advanced areas of dental sciences. I am pleased to announce that, first issue of which was published online on 14th February 2021 well within the time and the print issues will also brought out and dispatched within 30 days of publishing the issue online during the year of 2021.

Journal publishes all types of Research like, original articles, review articles, short review, case reports, case studies, case series, short communications, etc. in all areas related to dentistry and provides free online access to the researchers worldwide.

I take this opportunity to acknowledge the contribution of our team, especially Dr. Sukhpal Kaur, Reader, Department of Orthodontics during the final editing of articles published and the support rendered by the editorial assistants. Lastly I would like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of the Journal, the office bearers for their support in bringing out yet another volume and look forward to their unrelenting support for the successful release of Journal. Needless to say, any papers that you wish to submit, either individually or collaboratively, are much appreciated and will make a substantial contribution to the early development and success of the journal. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of journal, the office bearers for their support in bringing out yet another volume of journal and look forward to their unrelenting support to bring out the Vol 1 in scheduled time.

Dr. Vikarm Bali
Editor-in-Chief
